It pays to recycle with Little Blue.

Just fill me with recyclable items and set me out for collection each week. You could win a \$100 gift card.

It's part of Blue Bin Instant Win – a weekly contest. It began in May and ends the last week of April 2012.

You're already in the "hopper" if you have an Oklahoma City utility account and are eligible for the Curbside Recycling Program.

If you win one week, keep on recycling because you could win again.
